Concise Statement of Facts/Complaint: * (This section must be completed. Attach additional information to this page if necessary.)

Dominion Energy lied to the public, saying some customers would receive \$1,000.00. We who are on fixed incomes should not have to pay for a failed business project of a multibillion dollar company. If citizens can't afford to pay their utility bill, service is terminated...an extension may be granted for a little while, but if one is unable still to meet the obligation, there is no mercy granted...lights out! It is not just nor equitable for the public to have to pay for the gross bumbling of corporations. We (the public) can't afford to pay anyone to represent us. Corporations have unlimited resources and are more than willing to use them.

Relief Requested: * (This section must be completed. Attach additional information to this page if necessary.)

Hold Dominion Energy to their promise to pay customers...at least give that amount in credit to customer's billing as we continue to HAVE to pay for THEIR decision to purchase a failed project.
